The image shows a satellite view of a sports complex. A central feature is a large stadium with a red running track and a green football pitch. To the right of the stadium is another large green field, and further right is a smaller field. To the left of the stadium is a large open area. In the foreground, there are several buildings and a parking area. The map is overlaid with several white boxes containing red text labels, each with a red arrow pointing to a specific location on the map. The labels are: 'Football pitch 3' (pointing to the central pitch), 'Football pitch 4' (pointing to the field to the right), 'Football pitch 2' (pointing to the field to the right), 'Football pitch 1' (pointing to the central pitch), 'changing rooms' (pointing to a building near the stadium), 'camping site' (pointing to the large open area to the left), 'Beachvolleyball place' (pointing to a white rectangular area), and 'Parcing plarce' (pointing to a parking area). The map also shows various streets like 'Am Stadion', 'Lessingsstraße', and 'Landwehrstraße'. The browser window shows the Google Maps interface in German, with the search bar containing 'Am Stadion 5 a bergkamen'. The taskbar at the bottom shows the Start button and several open applications.
